WELCOME MEETING WITH STAFF@ISFCP

ISFCP family met on 16th June, 2015, the first day of the commencement of new session 2015-16. During this meeting Prof. N.K. Jain said that communication and internet technology has changed the definition of education. He further added that bookish education is not sufficient in today's age, it is also necessary to educate students about modern techniques. Prof. N. K. Jain reviewed the progress of the present session and discussed the strategy for the session 2015-16.

Prof. Jain also insisted that faculty members must update themselves with latest developments in the field. Dr. Juyal further added that the faculty members should also inculcate development of discipline, etiquettes and research aptitude in

FAREWELL TO D. PHARM. STUDENTS@ISFCP

D. Pharm. 1st year students of ISFCP organized a "Farewell Party" on 5th June 2015 for the students of D. Pharm 2nd year. Shri S.L. FORTIS HOSPITAL TEAM VISIT@ISFCP

A team of Fortis Hospital, Ludhiana comprising of Cardiac Surgeon Dr. Munish Aggarwal, Head HR Mr. Sunil Mehta and Deputy Head HR Mr. Tarun Katoch visited the ISFCP. The team was welcomed by Prof. N. K. Jain, Director, Prof. P.D. Juyal, Director (R&D) and Dr. Ashish Baldi, Principal ISFCP. The joint meeting deliberated upon the possibility of collaboration in the field of teaching, training and research. On this occasion Dr. Juyal said that Hospital Pharmacy is a growing profession in the country. It can only be nurtured with the support of big hospitals like Fortis. There is need for more collaboration to prepare the manpower trained in hospital.

COLLABORATIONS@ISFCP

ISFCP has taken a new initiative of research on herbal products available in the market. Since a vast variety of herbal products are covering today's market hence it is an emerging area in field of research. In this arena ISFCP is collaborating with Unati Cooperative Society, Talwara and in this regard General Manager Dr. Jyoti Sarup and Marketing Head Mr. Sunil Kumar visited the ISFCP premises.
