PHARMA JOB FEST: 7th April 2015 @ ISFCP

(Open Campus Placement Drive by Reputed Pharmaceutical Companies)

Placement of Pharma students in prestigious pharmaceutical companies has always been a daunting task, although ISFCP has never faced such problem. However to overcome the job crunch in field of pharmacy, ISFCP has taken initiative in collaboration with Punjab Technical University, Jalandhar to organize an open Pharma Job Fest on 7th April 2015 for all the students of pharmacy (D. Pharm, B. Pharm, M. Pharm) throughout the country. In this Mega Job Fest more than 30 Pharmaceutical Companies are offering 500+ vacancies for pharma students in the sectors including R & D, Production, QA/QC, Marketing/PMT, Pharmacovigilance, Medical writing, Hospital Pharmacists etc. This is probably the biggest ever Pharma Job Fair in India and yet another feather in ISFCP cap.
