Dear Manik Chhabra,

Congratulations on your initiative to form the International Society for Pharmacoeconomics and Outcomes Research Student Chapter at Indo-Soviet Friendship (ISF) College of Pharmacy.

Your student chapter now has provisional status. The provisional status will be for a period of one year. During this time, please document the activities of the Chapter including the number of student members, number of meetings, types of activities (such as an article in ISPOR Student NEWS, guest speakers, journal club meetings or other activities). This documentation will be helpful when preparing your Annual Report.

As an ISPOR Student Chapter, you are requested to provide an Annual Report of your chapter's activities including the names and addresses of officers, chapter members, and advisor. The Annual Report is due by March 1 of each year.

As an ISPOR Student Chapter, you are invited to:

- Contribute articles for the 'Student Corner' in ISPOR Value & Outcomes Spotlight at any time
- Contribute news items for the ISPOR Student NEWS (an electronic quarterly ISPOR student newsletter)
- Update your Chapter information on the ISPOR website

As President of an ISPOR Student Chapter, you are now a member of the ISPOR Student Council. The Council, consisting of Chapter Presidents, Network Chair Blythe Adamson, and Network Advisor Zeba Khan, meet monthly via teleconferences to discuss important student issues.

Keep up the good work!

Sincerely,

Nancy Berg ISPOR CEO &  
Executive Director
