ISF College of Pharmacy

ABOUT COLLEGE

ISF College of Pharmacy (An Autonomous College) Moga is one of the premier Pharmacy College established in 1984 and running various Pharmacy Courses viz. D. Pharm, B. Pharm, M. Pharm (9 branches), Pharm. D, Pharm. D. (PB) and Ph. D. in Pharmaceutical Sciences. The college is NAAC accredited with 'A' Grade and recently in NIRF - 2021 college has achieved 29th rank in Pharmacy Category in India.

The college has been adjudged "Among Top-3 Best Pharmacy Institute with the Platinum Category" in India by AICTE- CII consecutively since last 5 years. Students from 18 different states are studying in various disciplines at ISF College of Pharmacy. More than 3800 alumni of ISFCP are well placed and serving in leading diverse organizations in India and abroad.

Vice-Principal

Vision

To establish as a centre of excellence in education, research, innovation, training and entrepreneurship in pharmaceutical sciences.

Mission

To educate and train students in the knowledge and practice of pharmaceutical sciences by providing inspirational learning, research and professional attitude for serving the society globally without compromising on ethics and quality.

COURSES OFFERED

AICTE & PCI Approved Courses

Ph.D. in Pharmaceutical Sciences

M. Pharm. (2 years)

- Pharmaceutics
- Pharmacology
- Pharmaceutical Chemistry
- Pharmaceutical Analysis
- Pharmacognosy
- Quality Assurance
- Pharmacy Practice
- Regulatory Affairs
- Industrial Pharmacy

Pharm D - Doctor of Pharmacy (6 years)

Pharm D (Post-Baccalaureate) (3 years)

B. Pharm (4 Years)

B. Pharm (Lateral Entry) (3 Years)

D. Pharm (2 Years)

B. Pharm (Practice) (2 Years)

Skill Vigyan Programme

Sponsored by:

Department of Biotechnology

- Nodal Coordinator - PSCST, Chd.

- Knowledge Partner - LSSSDC

- Quality Control Chemist
- Quality Control Chemist Equipment Validation
- Scientific Medical Writer
- Stability Specialist
- Validation Supervisor

Certificate Courses

Under Autonomous Status

- Biostatistics and Research Methodology (SPSS)
- Medical Store Management
- Analytical Techniques
- Artificial Intelligence
- Diet and Nutrition
- Herbal Cosmetics
- Intellectual Property Rights (IPR)
- Computer-Aided Drug Design (CAAD)
- Quality by Design (QbD)
- Handling Instrumentation for D.Pharm

HOSTEL FACILITIES

ISF hostel is "a home away from home".

Separate hostels for boys and girls with all modern facilities

TRANSPORT FACILITIES

Available from 5 near by districts

PharmAspire [ISSN-2321-4732]

PharmAspire

An official Journal of ISF College of Pharmacy,
Moga, Punjab Published by
SPER Publications and Solutions Pvt. Ltd.

PharmAspire aims to explore the knowledge of pharmacy professionals and cater the need of research and development activities of both academia and Industries. Further, it intends to bridge the gap between theoretical aspects of drug delivery concepts and practical clinical studies to promote the usage of the novel drug delivery system usefulness in health care system. The Journal has a scope for researchers engaged in drug delivery field to utilize the scientific contents in a rightful way.

EXCELLENCE IN PHARMA EDUCATION & RESEARCH

ISF ANALYTICAL LAB (ISFAL)

Approved by state drug control authority
Punjab and NABL accredited

A Unit of ISF College of Pharmacy
NABL & CDSCO Accredited

CDSCO
Central Drugs Standard
Control Organization

Creation of ISFAL is an endeavour of ISF College of Pharmacy, to provide 'Quality Analysis' to small scale industries of the region. It is committed to provide total customer satisfaction and compliance with regulatory bodies with maximum effectiveness and minimal cost.

Adopting validated analytical laboratory techniques through well trained analysts, efficient management personnel, maintaining the highest standards of quality control & quality assurance by adhering to the self enunciated written SOPs, protocols and documentation of all the data is our priority. ISFAL strives for excellence in quality standards and aims at providing quality services with impartiality, integrity, reliability, confidentiality, independence, and commitment.

At ISFAL, we are committed to inculcate the right attitude and spirit to satisfy our customers through continual research and adopting these techniques to train budding pharmaceutical analysts.

In addition, we aim to keep up the requirements of continuously updating regulatory guidelines and thus meeting the compliance to quality management system.

- Accredited by NABL & CDSCO, Govt. of India
- Approved by State Drug Control Authority, Punjab for testing of drugs and formulations.
- Provide quality analytical services to academic and industrial organizations.
- Sophisticated instrument training.
- Well trained and committed analysts for reliability and total customer satisfaction.
- Compliance with regulatory bodies.

Research fellows and students are advised to send their application and samples for analysis through Institute/Head of Department to avail the discount
