Responsibilities:

- ✓ To review the research proposal and finalize the topic of research
- ✓ To guide the research scholar to develop the study design and methodology of research and identify the course(s) that he / she may have to do.
- ✓ To periodically review and assist in the progress of the research work of the research scholar.
- ✓ A research scholar shall appear before the Research Advisory Committee once in six months to make a presentation of the progress of his / her work for evaluation and further guidance.
- ✓ The six monthly progress reports shall be submitted by the Research Advisory Committee.
 - (In case the progress of the research scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures).
 - If the research scholar fails to implement these corrective measures, the Research Advisory Committee may recommend to the University with specific reasons for cancellation of the registration of the research scholar
