| <b>Sr No.</b> | <b>Title</b>   | <b>Authors</b>  | <b>Journal Name, Year, Vol., Page no.</b>               | <b>ISSN</b> |
|---------------|--|---|---|-------------|
| 1.            | A review on current carbon nanomaterials and other nanoparticles technology and their applications in biomedicine  | Sharma A, Anghore D, Awasthi R, Kosey S, Jindal S, Gupta N, Raj D, Sood R | World J Pharm. Pharmaceu. Sci. 2015; 4(12): 1088- 1113. | 2278-4357   |
| 2.            | Analytical techniques in simultaneous estimation: An overview  | Badyal N P, Sharma C, Kaur N, Shankar R, Pandey A, Rawal R K              | Austin J Anal Pharm Chem. 2015; 2(2): 1037-41.          | 2381-8913   |
| 3.            | Application of RP-HPLC method in dissolution testing and statistical Evaluation by NASSAM for simultaneous estimation of tertiary combined dosages forms | Upadhyay Y, Sharma N, Sarma G S, Rawal R K                                | J Pharm. Anal. 2015; 5: 307-15.                         | 2095-1779   |
| 4.            | Appraisal of antibiotic prophylaxis administration in general surgery department of a major referral hospital  | Gautam T, Kumar A, Kosey S, Sandhu HPS                                    | Int. J Pharm. Rev. & Res. 2015; 5 (4): 397-402.         | 2248-9193   |
| 5.            | Approaches to overcome NSAID induced ulceration in arthritic pain management: Perspectives and prospects   | Ganeshanand, Kamaljeet, Baldi A   | J. Drug Del. Therap. 2015; 5(2): 9-16.                  | 2250-1177   |
| 6.            | Beneficial effect of rice bran extract against 3-NP induced neurotoxicity in rats  | Kaur N Jamwal S, Deshmukh R, Gautam V , Kumar P                           | Toxic Rep. 2015; 2: 1222-32.                            | 2214-7500   |
| 7.            | Combined effect of hydrogen sulphide donor and losartan in experimental diabetic nephropathy in rats   | Kaur M, Sachdeva S, Bedi O, Kaur T, Kumar P                               | J Diabetes Metab Disord. 2015; 14 (1): 63-73.           | 2251-6581   |

|     |  |  |   |           |
|-----|--|--|---|-----------|
| 8.  | Comparative account of quality management and regulatory aspects of products with health claims: Existing approaches and future challenges | Arora M, Baldi A                                 | App. Clin Res, Clin. Tr. and Reg. Aff. 2015; 2 (3): 123-32.                             | 2213-476X |
| 9.  | Development and Validation of Spectrophotometric Method for Determination of Ropinirole Hydrochloride in Bulk and Formulation              | Baldi A, Panwar S M, Goyal S                     | Inventi Rapid: Pharm Analysis & Quality Assurance. 2015; 1: 1-4.                        | 0976-3813 |
| 10. | Drug Utilization Review on Corticosteroids Use in a Tertiary Care Teaching Hospital  | Pandey M, Kosey S, Garg R                        | Int. J Sci. Res. Kno. 2015; 3(12): 305-13.  | 2322-4541 |
| 11. | Effect of seasonal variation on secondary metabolites of medicinal plants  | Soni U, Brar S, Gauttam VK                       | Int. J Pharm. Sci. Res. 2015; 6(9): 3654-62.  | 2320-5148 |
| 12. | Exploring pharmacovigilance: Narrative review  | Sharma B, Kosey S, Mehra NK, Chitra DK, Kumar R. | J Har. Res. 2015; 4(2): 201-12.   | 2321-0958 |
| 13. | Good manufacturing practice regulations for probiotic based pharmaceuticals: Current scenario and suggestive recommendations.              | Arora M, Baldi A                                 | Applied Clinical Research, Clinical Trials and Regulatory Affairs. 2015; 2 (3): 165-75. | 2213-476X |
| 14. | Herbal drug standardization: An exploratory review.  | Datta M, Singla N, Brar S                        | Ind. Res. J Pharm. Sci. 2015; 5: 187-96.  | 2349-5332 |
| 15. | Implementing surgical antibiotic prophylaxis guidelines; role of clinical pharmacist   | Gautam T, Kumar A, Kosey S, Sandhu HPS           | Int. J Bioassays. 2015; 4(10): 4405-10.   | 2278-778X |
| 16. | Isolation of embelin from Embelia ribes and evaluation of its anti-cancer potential  | Kaur V, Hallan S S, Nidhi, Kalia A N, Mishra N   | Asian J Pharm. Pharmacol. 2015; 1(1): 33-9.   | 2455-2674 |

|     |  |   |   |           |
|-----|--|---|---|-----------|
|     | in breast cancer   |   |   |           |
| 17. | Knowledge and awareness of adverse drug reactions  | Kaur M, Kosey S, Mehra NK, Kumar R          | Int. J Pharm. Sci. Res. 2015; 6(11): 4601-10.     | 2320-5148 |
| 18. | Knowledge, attitude, and practice of healthcare professionals about adverse drug reaction in major tertiary care teaching hospital in Punjab | Kaur M, Kosey S, Kumar R                    | Int. J Basic Clin. Pharmacol .2015 4(5): 993-8.   | 2319-2003 |
| 19. | Management of acute mountain sickness: An exploratory review on herbal drugs   | Sharma K, Jeet K, Baldi A                   | Ind. J Nat. Prod. Res. 2015; 29(1): 5-22.         | 0970-129X |
| 20. | Pathophysiology and experimental model's in neuropathic pain   | Arora R, Kaur M, Mehan S                    | Int. J Recent Adv. Pharm. Res. 2015; 5(1): 22-26. | 2230-9306 |
| 21. | Pathophysiology and experimental model's using in parkinson's disease  | Kumar L, Arora R, Parveen S, Jaswal P       | Int. J Recent Adv. Pharm. Res. 2015; 5(2): 38-44. | 2230-9306 |
| 22. | Prunus amygdalus: Phytochemical and pharmacological review   | Kaur P, Thakur V, Brar S                    | Ind. Res. J Pharm. Sci. 2015; 5: 152-9.           | 2349-5332 |
| 23. | Recent approaches for colon cancer: a review.  | Sharma R, Gaba P, Singla N                  | Ind. Res. J Pharm. Sci. 2015; 2(2): 160-72.       | 2349-5332 |
| 24. | Simultaneous estimation of metformin hydrochloride, glimepiride and pioglitazone using first generation chemometric methods                  | Badyala N P, Sharma C, Shankar R , Rawal RK | Asian J Bio. Pharm. Sci. 2015; 5(47): 23-9.       | 2381-8913 |
| 25. | Study of chronic cerebral hypoperfusion model in vascular dementia   | Pal J K, Arora R, Parveen S, Tohan V        | Int. J Recent Adv. Pharm. Res. 2015; 5(2): 38-44. | 2230-9306 |

**ISF College of Pharmacy**

|     |   |  |   |           |
|-----|---|--|---|-----------|
| 26. | Study different experiment models used in peptic ulcer  | Midha G, Arora R, Parveen S                          | Int. J Recent Adv. Pharm. Res. 2015; 5(2): 31-37. | 2230-9306 |
| 27. | Surgical site infection in general surgery  | Goyal R , Sandhu S P H ,<br>Kumar A , Kosey S        | Int. J Sci. Res. Kno. 2015; 3(8): 198-203.        | 2322-4541 |
| 28. | Surveillance method for surgical site infection   | Goyal R, Sandhu S P H ,<br>Kumar A, Kosey S, Mehra N | Ind. J Pharm. Pr. 2015; 8(2): 54-60.              | 0974-8326 |
| 29. | The challenge of counterfeit drugs: A mini review on prevalence, detection and preventive measures.   | Kumar B, Baldi A                                     | Cur. Drug Saf. 2015; 11(1): 1-9.                  | 1574-8863 |
| 30. | Therapeutic potential of <i>Tephrosia purpurea</i>  | Negi N, Kalia AN, Brar S ,<br>Gauttam VK             | J Chem. Pharm. Res. 2015; 7(2): 574-80.           | 0975-7384 |
| 31. | Therapeutic use of <i>Withania somnifera</i> : A review   | Kaur J, Kaur P, Brar S                               | Ind. Res. J Pharm. Sci. 2015; 197-204.            | 2349-5332 |
| 32. | Treatment and replenishment of G.I. Tract with combined regimen therapy (CRT) of allopathic (PPIs) and ayurvedic (Aloe Vera) medicine in peptic ulcer disease to counteract relapse | Mani P, Mehra NK, Kosey S,<br>Gaurav M               | J Gast. Dig. Sys. 2015; 5(2): 272-6.              | 2161-069X |
| 33. | Treatment of Snake Bite in India: A Review  | Anghore D, Sharma A ,<br>Singh S, Kosey S, Jindal S  | Int. J Pharm. Teac. Prac. 2015; 6(4): 2635-41.    | 1986-8111 |
| 34. | Understanding industrial practices for pharmaceutical quality management-I, Existing approaches and guidelines.   | Kumar D, Arora M, Baldi A                            | Adv. Res. Pharma. Biol. 2015; 5: 802-11.          | 2250-0774 |
| 35. | Understanding industrial practices for pharmaceutical quality management-II, Process validation.  | Kumar B, Baldi A                                     | Adv. Res. Pharm. Biol. 2015; 5: 812-24.           | 2250-0774 |
