- CENTER OF EXCELLENCE IN PHARMACOVIGILANCE @ ISFCP
- ACHIEVERS @ ISFCP
- PLACEMENTS @ ISFCP
- PUBLICATIONS @ ISFCP
- CHRISTMAS CELEBRATION @ ISFCP

ISF College of Pharmacy has strived hard to have exponential growth and dreams to see it to be the "Gurukul" having great "Gyani Gurus" (Expert Teachers) and "Tej Vaigyaniks" (Scientists of Excellence). I seek blessings of almighty and co-operation from one and all. ISF College of Pharmacy, Moga was established as the first private pharmacy college in Punjab by the visionary Late Shri Baldev Krishan Garg. His vision was to give affordable high quality professional education that not only generates high employment potential to the under privileged youth but also to establish an institute of higher learning of International standard equipped with sophisticated infrastructural facilities inspite of its remote location. Added to this, it is the mission of the college to develop versatile personality with inculcation of sound ethics and moral values in pharmacy personnel.

## 200 STUDENTS INSPIRED TOWARDS SCIENCE @ ISFCP

"Innovation in Science Pursuit for Inspired Research (INSPIRE)" is an innovative programme with long term foresight, sponsored by the Department of Science & Technology, Govt. of India, New Delhi. The objective of INSPIRE is to communicate the excitements of creative pursuit of science by attracting young talent towards science at an early age and thus build the required critical human resource pool for strengthening and expanding the Science & Technology system and R&D base. Our college has successfully completed five days of INSPIRE camp sponsored by DST from 2 Dec to 6 Dec 2014 for the meritorious government school students of medical and non-medical streams. During these five days various eminent speakers delivered their lectures for guiding and inspiring the students and became their great pathfinder. Dr. R.P Singh (DSS, Barnala) and Sardar Nishan Singh (DSS, Moga) and Shri Parveen Garg (Chairman, ISFCP) were present in Inaugural function. On the last day, Dr. Umesh Kumar Sharma (DST, New Delhi), Sh. Pawan Kumar (DST, New Delhi), Shri Tilak Raj Monga and Sh. Janesh Garg (Secretary, ISFCP) and other dignitaries felicitated all students with certificates and prizes in valedictory function.

## CENTER OF EXCELLENCE IN PHARMACOVIGILANCE @ ISFCP

ISFCP has attained yet another milestone on 11 December 2014 by signing MOU with Terzetto Pharma Metrics Pvt Ltd., Bangalore. A joint Post-Graduate Diploma in Pharmacovigilance is started at ISFCP with assured placement to successful students.
