HONOR

Dr. R.K Narang, Vice Principal ISFCP marked 21st of completion and felicitated for his dedication and commitment to the organization by Management and Dr GD Gupta, Director cum principal ISFCP.

TECHNOLOGY TRANSFER

Technology transfer of mouth dissolving tablets to Airpolis Biotech Pvt. Ltd by Prof G.D. Gupta, Director cum Principal, ISFCP, Moga and Prof Gaurav Goyal, HOD, Department of Pharmaceutics, ISFCP. Investigation revealing about production of mouth dissolving tablets and method was validated in Department of Pharmaceutics at ISFCP, Moga.

PROJECT GRANT

Project Grant from Science and Engineering Research Board for the studies entitled "Pharmacological Exploration of Mitochondrial Metabolomics to Treat Chemotherapy Induced Cognitive Impairments" to Dr Arti Singh, Associate Professor, Department of Pharmacology, ISFCP, Moga. The project is recommended by the empowerment and equity opportunities for excellence in science faculty.

SCIENTIFIC PUBLICATIONS

Dr Sidharth Mehan, Associated Professor, Department of Pharmacology published original research article entitled as "Neuroprotective Potential of Solanesol in Intracerebroventricular Propionic acid Induced Experimental Model of Autism: Insights from Behavioural and Biochemical Evidence" in Toxicology Reports.

A research study was published in Naunyn-Schmiedeberg's Archives of Pharmacology entitled as "Effect of Single and Dual RAAS Blockade Therapy on Progressive Kidney Disease Transition to CKD in rats" by Dr. Gammiepreet Singh, Asst. Professor, Department of Pharmacology, ISFCP, Moga.

Research article entitled "Development and Validation of Stability Indicating UV-Visible Spectrophotometric Method for Simultaneously Estimation of Neem (Azadirachtin) and Curcumin in Pharmaceutical Tablet Dosage Form published in Analytical Chemistry Letters by Mr. Gurmeet Singh, Assistant Professor, Department of Pharmaceutics, ISFCP.

REVIEW ARTICLES

Review article entitled as "Mechanism of Androgenetic Alopecia: Addressing Speculations Through Empirical Evidence" published in Dermatological therapy by Dr. Vineet Rai, Associate Professor, Department of Pharmaceutics.

Review article entitled "Recent Progress of Benzimidazole Hybrids for Anticancer Potential" published in Current Medicinal Chemistry by Md Jawaid Akhtar, Associate Professor, Department of Pharmaceutical Chemistry, ISF College of Pharmacy, Moga. This review presented the detailed account of factors leading to cancer and design strategy for the synthesis of benzimidazole derivatives as anticancer agents.

Review article entitled as "Factor Affecting the Transition of Acute Kidney Injury to Chronic Kidney Disease: Potential Mechanisms and Future Prospective" was published by Dr Gammiepreet Singh, Asst. Professor, Department of Pharmacology in European Journal of Pharmacology. Study highlights the factors affecting transition of acute and chronic renal disorders.

STUDENTS AWARD

In one-day national conference at Saheed Bhagat Singh College of Polytechnic and Pharmacy, in the context of excellent presentation ISF College of Pharmacy student Mayank Viramni, PharmD 2nd Year student grabbing award.

WORKSHOP

To empower ISFCP college students with necessary skills for employment, one day workshop on competitiveness and employability was held at ISF College of Pharmacy, Moga, Punjab, India on October 9, 2019. Many distinguished speakers from different horizon has exchanged personal experiences and wisdom with students.

SEMINAR

International Society for Pharmacoeconomics & Outcome Research (ISPOR), Department of Pharmacy Practice, ISF College of Pharmacy, Moga, Punjab, India organised a guest lecture of Dr Sumesh Khanna, MD Consultant Physiatrist on the occasion of World Mental Health Day i.e. October 10, 2019.

ALUMNI INTERACTION

The alumni Mr. Prashant Koshal M. Pharm Pharmacology (Batch 2013-15) had Interactive session with M. Pharm Pharmacology (Current Fresh Batch). He is selected as PhD Scholar in Italy with exorbitant scholarship.

MOU

ISF College of Pharmacy linked a MoU in month of october.

INSPIRE

The Innovation in Science Pursuit for Inspired Research (INSPIRE) flagship program of Department of Science and Technology (DST), Government of India was held at ISF College of Pharmacy, Moga, Punjab, INDIA from 15-19th October, 2019 for the benefit of young buds of schools. Prof. R.K. Narang was the coordinator of this event.

ECO CLUB ACTIVITY

The campus of ISF College of Pharmacy wore a festive look with beautiful lightning at the moment of Diwali. The eco club has celebrated eco-friendly diwali and also encouraged others to celebrate in same way. The poster presentation competition was held on the occasion of eco-friendly Diwali, as well as students enjoyed movie with staff members in lieu of this activity.

JAGRAN

Jagran was conducted at ISF College of Pharmacy, Moga, to pay their obeisance before Maa Durga, for the celebration of Navratri and Ram Navmi festival. The entire night was spent on singing bhajans of the goddess, praying and thanking the God with folded hands.

YES PLUS

Yes Plus course, Four days youth empowerment and soft skills workshop was organized at ISFCP, Moga. This course was enacted by the Art of Living Group. More than 25 students and teachers participated. This workshop was conducted smoothly by Mr Rohit Bhatia and Ms. Amarjit Kaur. This Yes Plus course created a platform for students b offering multiple opportunities to accelerate their physical, emotional and intellectual quotient.

SWATCH BHARAT ABHIYAN

Swatch Bharat Abhiyan, one of the finest and indispensable services for the betterment of the society was exercised at ISFCP. Entire ISFCP family members have participated within this exercise with utmost zeal and enthusiasm.

FORTHCOMING EVENTS

ISF College of Pharmacy, Moga, Punjab, India is about to organise 5 days Faculty Development Program (FDP) on "Applications of Recent Green Chemistry Techniques for Synthesis and Analysis of Pharmaceuticals" from 16th to 20th December, 2019 for 40 faculty members. The FDP program is sponsored by All India Council for Technical Education (AICTE), New Delhi & I. K. Gujral Punjab Technical University (IKGPTU), Jalandhar. Dr. Gaurav Goyal, Professor, Department of Pharmaceutics, ISF College of Pharmacy, Moga, Punjab, India will be the co-ordinator of this event.

"Applications of Recent Green Chemistry Techniques for Synthesis and Analysis of Pharmaceuticals"

16th - 20th December 2019

Organized By

ISF COLLEGE OF PHARMACY
(An Autonomous College)

GT Road, Ghal-Kalan, Moga -142 001 (PB.)

ABOUT US

ISF College of Pharmacy, located on GT Road, Ghal Kalan, Moga was established in 1984. At present institute is a unique center of excellence at all levels of Pharmaceutical Education offering all courses in Pharmacy viz. D. Pharm., B. Pharm., M. Pharm. (Specialization: Pharmaceutics, Pharmacology, Pharmaceutical Chemistry, Quality Assurance, Pharmaceutical Analysis and Pharmacognosy), PharmD, PharmD (PE), B. Pharm. (Practice) and Ph. D programme in Pharmaceutical Sciences. Institute is accredited by NAAC with Grade "A" and NIF-2019 ranked 23rd in Pharmacy Category in India by MHRD, Govt. of India. The Institute is also recognized among Top 3 Best Pharmacy Institute in India with Platinum Category by AICTE-Ch-2018, Best Pharmacy College in Punjab by I. K. Gujral Punjab Technical University, Jalandhar and also recipient of Best Pharmacy Education Institute in Punjab by CMAI supported by AICTE, IKGPTU, MSMU, AIU and Govt. of India.

ABOUT PROGRAMME

ISF College of Pharmacy is offering an interactive Green Chemistry & Engineering faculty development programme held from 16th December 2019 to 20th December 2019 in ISF College of Pharmacy, Moga, Punjab for development of faculty of various colleges and industries. The theme of the programme cum workshop is "Applications of Recent Green Chemistry Techniques for Synthesis and Analysis of Pharmaceuticals".

The aim is to provide lectures and hands on training on following topics:

- An Introduction to Green Chemistry & Engineering to Pharmaceuticals
- Understanding the 12 Principles of Green Chemistry
- Green Chemistry Education Outreach
- Applications of Green Chemistry
- Greening Your Research
- Green Catalysis
- Reduction in waste generation
- Green Polymers
- Design of chemicals, novel chemistries, synthetic pathways, and processes that enable a circular, more sustainable economy

The workshop will cover the hands on training on microwave synthesizer, quantitative analysis through FT-IR, HPLC, waste reduction techniques etc.

ELIGIBILITY

At least 25 participants out of 40 shall be from IKGPTU Affiliated Institutes. Rest Participants can be from AICTE/ PCI approved institutes, Central/State/Demed/ Private universities and industry professionals are eligible.

REGISTRATION

Limited to 40 participants only on first come first serve basis as per eligibility. A registration fees of Rs. 3000/- will be charged, which will be refunded after successful completion of FDP.

LOCAL ORGANIZING COMMITTEE

CHIEF PATRON Prof. Ajay S Sharma Vice Chancellor IKG PTU, Jalandhar	PATRON Sh. Preeten Garg Chairman ISF College of Pharmacy, Moga	CONVENER Dr. G. D. Gupta Director cum-Principal ISF College of Pharmacy, Moga
---	--	---

ORGANIZING SECRETARY

Dr. K.K. Narsing
Vice Principal
ISF College of Pharmacy, Moga

PROGRAMME CO-ORDINATOR

Dr. Gaurav Goyal
Professor & Head (Pharmaceutics)
ISF College of Pharmacy, Moga

ORGANIZING COMMITTEE MEMBERS

SCIENTIFIC	REGISTRATION/ STAGE
Dr. Panja Chawla	Mr. Nehal Bhatia
Dr. Vikramdeep Monga	Ms. Vishvrajot Kaur
Dr. G. S. Sharma	Ms. Lakshinder Khallwal
