## About the Programme:

ISF College of Pharmacy is offering an **Conference entitled "Expert Opinion: Exploring & Understanding Covid-19 Pandemic"** is a potentially powerful tool in the fight against the COVID-19 pandemic. Since the outbreak of the pandemic, there has been a scramble to use AI. This conference provides an early, and necessarily selective review, discussing the contribution of healthcare professionals to the fight against COVID-19, as well as the current constraints on these contributions. The world is paying close attention to the outbreak of novel coronavirus, following its emergence in December 2019 in Wuhan, China. With the outbreak of a novel coronavirus declared a pandemic by the World Health Organisation, people worldwide are working to address it. On this conference, you'll learn the latest of what we know about COVID-19, presented by international experts.

This conference will discuss the basic epidemiology of COVID-19 including SARS-CoV-2 emergence, modes of transmission, and risk factors for infection and severe disease. The current epidemic curve will be presented in the context of current surveillance efforts and an open discussion on additional epidemiological studies will conclude the conference.

## Objectives:

- Introduce the emergence of COVID-19
- Detail the overall epidemiology of COVID-19 with a focus on US and local data
- Describe public health surveillance systems for COVID-19
- Identify strengths and limitations of surveillance data
- Illustrate the importance of epidemiological studies in generating evidence for disease control

The image is a composite of two parts. On the left is a promotional poster for an online expert talk. At the top, it features various accreditation logos including ISO, NIRF, and others. The main text on the poster reads: "ISF COLLEGE OF PHARMACY (An Autonomous College U/s UGC Act-1956)", "Online Expert Talk on Building an International Career as a Pharmacist: Exploring Opportunities Beyond Borders", and "Under The Aegis of IQAC-ISFCP". The speaker is identified as "Dr. Rimpi Arora, Alumni ISFCP, IBRO-APRC Postdoc fellow FRCR, Neuroscience & Mental Health". Below this, three other individuals are listed: "Shri Parveen Garg, Chairman, ISFCP, Moqa, Punjab", "Prof. (Dr.) G.D. Gupta, Director-in-Chief, ISFCP, Moqa, Punjab", and "Prof. (Dr.) R.K. Naring, Vice-Principal, ISFCP, Moqa, Punjab". A circular logo for "Institute of Excellence in Pharma Education & Research" is also present. The date "July 31<sup>st</sup>, 2022" is at the bottom. Contact information includes "www.isfcg.org", "E-mail: director@isfcg.org, admin@isfcg.org", and "Contact: 087250-55462". Social media icons for Facebook, YouTube, and Instagram are also shown.

On the right is a screenshot of a Zoom meeting. The top row shows two participants in video view. The middle row shows two participants in gallery view, with one having a large 'A' icon. The bottom row shows two more participants in gallery view. At the bottom of the screenshot, a presentation slide is visible with the title "Building an International Career as a Pharmacist: Exploring Opportunities Beyond Borders".

## 5.3.3.1 Sports and cultural Event

Year 2022-2023

### Unity in Diversity: Celebrating Republic Day at ISF College of Pharmacy, Moga

Republic Day at ISF College of Pharmacy, Moga, was a vibrant and patriotic celebration that brought together students, faculty, and staff to commemorate the birth of the world's largest democracy. The day commenced with the hoisting of the national flag by the college principal, Dr. Gupta in the presence of faculty members, students, and staff members. The tricolor fluttered proudly in the gentle breeze, symbolizing the unity and diversity of India.

The ceremony began with the singing of the national anthem, evoking a sense of pride and patriotism among the attendees. Following the flag hoisting, various cultural programs and activities were organized by the students. The college grounds came alive with performances showcasing the rich cultural heritage of India. Patriotic songs, dances, and skits were performed with great zeal and enthusiasm, depicting the struggles and sacrifices of our freedom fighters and celebrating the spirit of unity in diversity that defines India.

One of the highlights of the cultural program was a thought-provoking skit that emphasized the importance of democracy and the role of citizens in upholding the values enshrined in the Constitution of India. The skit not only entertained the audience but also inspired reflection on the significance of Republic Day and the responsibilities of every Indian citizen towards the nation.

In addition to the cultural performances, the college organized informative sessions and debates on various aspects of Indian democracy and governance. Students actively participated in discussions on topics such as the fundamental rights and duties of citizens, the role of the judiciary in upholding the rule of law, and the importance of electoral participation in a democratic society.

The celebrations also included a poster-making competition on the theme of "My India, My Pride," where students showcased their artistic talents and expressed their love for their country through creative and visually appealing artwork.

As the day progressed, a sense of camaraderie and unity permeated the campus, fostering a spirit of patriotism and national pride among all present. The celebrations concluded with a collective pledge to uphold the ideals of justice, liberty, equality, and fraternity, as enshrined in the Constitution of India.

Republic Day at ISF College of Pharmacy, Moga, served as a reminder of the sacrifices made by our freedom fighters and the hard-won freedoms that we enjoy today. It also provided an opportunity for students to reflect on their roles and responsibilities as citizens of India and to reaffirm their commitment to building a stronger, more inclusive, and prosperous nation.

## **Teej Triumph: Celebrating at ISF College of Pharmacy, Moga**

ISF College of Pharmacy, Moga" recently hosted a vibrant Teej function exclusively for girls, organized under the able coordination of Ms. Seema Brar. The event was a colorful celebration of tradition, culture, and womanhood, providing a platform for female students to come together and rejoice in the festivities of this auspicious occasion.

The Teej function commenced with an auspicious puja ceremony, where girls offered prayers for the well-being and prosperity of their families and loved ones. The atmosphere was filled with devotion and reverence as the traditional rituals were performed with utmost sincerity. Following the puja, the main festivities began with a series of cultural performances showcasing the rich heritage of Punjab. Girls dressed in vibrant traditional attire presented lively dance performances, mesmerizing the audience with their grace and skill. The rhythmic beats of folk music echoed through the venue, infusing the air with energy and enthusiasm.

One of the highlights of the event was the Mehendi competition, where girls flaunted their creativity by adorning their hands with intricate henna designs. The competition witnessed a display of artistic talent, with participants showcasing a diverse range of designs and patterns, from traditional motifs to contemporary styles.

The Teej function also provided an opportunity for girls to showcase their culinary skills through a cooking competition. Participants prepared traditional Punjabi delicacies with zeal and enthusiasm, adding a delicious flavor to the festivities. The aroma of spices and the sizzle of cooking filled the air, tantalizing the taste buds of all present.

In addition to the cultural performances and competitions, various fun activities and games were organized to keep the girls entertained and engaged throughout the event. From traditional games like "kikli" and "gidda" to modern twists on classic favorites, there was no shortage of laughter and enjoyment.

Throughout the event, Ms. Seema Brar, the coordinator, ensured that every aspect of the Teej function ran smoothly and efficiently. Her meticulous planning and attention to detail were instrumental in creating a memorable and enjoyable experience for all participants.

As the festivities came to a close, the girls exchanged heartfelt wishes and promises to cherish the memories of the day. The Teej function at ISF College of Pharmacy, Moga, served as a beautiful reminder of the importance of celebrating traditions, fostering sisterhood, and embracing the essence of womanhood.

In conclusion, the Teej function organized under the coordination of Ms. Seema Brar was a resounding success, leaving a lasting impression on all those who attended. It exemplified the college's commitment to promoting cultural diversity and providing a supportive environment where students can celebrate their traditions and create cherished memories together.

## Cultural Kaleidoscope: A Vibrant Celebration at ISF College of Pharmacy, Moga

ISF College of Pharmacy, Moga, reverberated with the vibrant beats of cultural extravaganza as it organized a memorable event under the expert coordination of Ms. Seema Brar. The cultural event, held with much anticipation and enthusiasm, served as a platform for students to showcase their talents, celebrate diversity, and foster unity within the college community. The event kicked off with an electrifying opening ceremony, graced by the college principal, faculty members, and esteemed guests. Ms. Seema Brar, the coordinator, welcomed everyone with warmth and enthusiasm, setting the stage for an evening filled with entertainment and cultural enrichment.

The cultural program featured a diverse range of performances that captivated the audience and celebrated the rich tapestry of Indian heritage. Students presented traditional dances representing various states of India, each performance reflecting the unique culture and ethos of its region. From the graceful movements of Bharatanatyam to the energetic beats of Bhangra, the performances showcased the beauty and diversity of Indian dance forms. In addition to dance performances, the event also featured mesmerizing musical renditions by talented singers and instrumentalists. The soulful melodies and captivating rhythms echoed through the auditorium, creating an ambiance of joy and celebration.

One of the highlights of the cultural event was a fashion show where students showcased traditional attire from different parts of India. The runway came alive with vibrant colors, intricate designs, and elegant drapes, showcasing the rich sartorial heritage of the country. From the regal elegance of sarees to the vibrant hues of lehengas, the fashion show was a visual feast that celebrated India's rich textile traditions. The event also provided a platform for students to exhibit their artistic talents through various competitions and exhibitions. An art exhibition showcased paintings, sculptures, and handicrafts created by the students, each piece reflecting their creativity and imagination. Additionally, literary competitions such as poetry recitation and storytelling added a literary dimension to the cultural event, encouraging students to express themselves through words and language. Throughout the event, Ms. Seema Brar ensured that every aspect of the program ran smoothly, from coordinating performances to managing logistics and ensuring the comfort of the participants and audience. Her dedication and attention to detail were instrumental in making the cultural event a resounding success.

In conclusion, the cultural event organized under the coordination of Ms. Seema Brar was a testament to the college's commitment to promoting cultural diversity and fostering talent among its students. It was a celebration of creativity, unity, and the spirit of togetherness that defines the ethos of ISF College of Pharmacy, Moga.

## GANESH CHATURTHI

On the occasion of 'Ganesh Chaturthi', the students, teachers and the staff of our college welcomed Lord Ganesha by installing an idol of Lord Ganesha in our college premises.

Our Chairman Sir Shri Parveen Garg ji, Director Dr G.D Gupta always organises such functions and events in the College so as to preserve and promote Indian traditions, cultures and values among the youth. The festival was celebrated for seven days. The arrangement of Puja and decoration of our school was well managed by the students' council. Our college was lavishly ornamented using fragrant candles and vibrant flowers.

The event began on 10<sup>th</sup> September as the Chairman Sir illuminated the lamps; students sang Ganesh Vandana while all the members offered their prayers to the Lord. A Havan was conducted followed by a grand Aarti respectively.

Then the Prasad was distributed among members. A table was set up in the hall to serve a considerable variety of sweets, confectionaries and dishes to the attendees of the ceremony. The program was concluded with the students' performance of various cultural programs to refresh and entertain everybody.

## BLOOD DONATIONA CAMP

The NSS volunteers of ISF College of Pharmacy, Moga, organized a highly successful blood donation camp in collaboration with local healthcare authorities, marking a significant contribution to the noble cause of saving lives. The event, held on [date], saw an overwhelming response from students, faculty, and members of the local community, all coming together to support this vital initiative. The blood donation camp commenced with an inaugural ceremony, where distinguished guests, including college administrators and healthcare professionals, emphasized the importance of blood donation in healthcare emergencies. The NSS volunteers, under the guidance of faculty mentors, played a pivotal role in organizing and managing every aspect of the camp.

Prior to the event, extensive awareness campaigns were conducted both within the college campus and in neighboring areas to educate people about the importance of blood donation and dispel any misconceptions or fears surrounding the process. These efforts contributed significantly to the success of the camp and encouraged a large turnout of donors. On the day of the camp, a dedicated registration desk was set up to facilitate the smooth registration of donors. Each donor underwent a brief medical screening to ensure their eligibility for blood donation, following which they proceeded to the donation area under the supervision of trained medical staff.

The NSS volunteers played a crucial role in providing logistical support, managing the donor flow, and ensuring a comfortable experience for the donors throughout the process. Their enthusiastic involvement and commitment to the cause served as a source of inspiration for everyone present.

The blood donation camp received an overwhelming response, with a large number of donors willingly coming forward to donate blood. Their selfless act of generosity has the potential to save countless lives and make a significant impact on the healthcare system.

The success of the blood donation camp can be attributed to the collective efforts of the NSS volunteers, college administration, healthcare professionals, and the support of the local community. It exemplifies the spirit of altruism and community service that lies at the heart of NSS activities.

In conclusion, the blood donation camp organized by NSS volunteers of ISF College of Pharmacy, Moga, stands as a shining example of their commitment to serving humanity and making a meaningful difference in the lives of others. Through their dedication and selflessness, they have not only saved lives but also inspired others to join the noble cause of blood donation.

## FRESHER PARTY “ABHIVYAKTI

The Fresher party is one of the most awaited events at the college campus. This year, Fresher party was celebrated with the theme “ABHIVYAKTI was celebrated on 18<sup>th</sup> November 2021. The fresher party began with a sarswati vandna, then west Bengali dance was performed after that exciting short drama based on the COVID-19 Theme. The backdrop was very much appreciated by all because of the hard work of the creative and the in-house team of Fresher Party. Fresher party is a thoroughfare along which all the students are able to unveil their talent on the much-isolated turf of performing arts. This is an event where students take a brief time off their busy schedule and strive hard to acclaim proficiency in the field of performing arts. Let’s have a look at the events took place in ABHIVYAKTI.

**Solo and Duet Dance:** The students competed with each other in solo dancing and duet dancing. The dance was choreographed by the participants themselves. At the end, the winner was announced.

**Singing:** It included both Solo Singing and Duet Singing. It brought forth the best singers in ISF. They got a chance to perform on the stage and entertain the audience with their singing.

**Fashion Show:** All the Fresher Students got a chance to perform for the first time at undergraduate level. Fashion show is split up in 2 parts (traditional and Western modelling) including all the four departments of ISF.

**Drama:** A comic act was put up by the students which thoroughly entertained the crowd.

**Inter Departmental Traditional Dance:** This was one of the most fiercely contested events where every team represented their respective departments. Wonderful showcases of themed dances were put up by all the students.

**Inter College Dance:** The inter college dance team of ISF put forward one of the best dances of the evening.

**Rock Show:** Various musical bands of the college got a chance to perform on stage.

## POSTER AND WORKING MODEL COMPETITION

The ISF College of Pharmacy, Moga, witnessed an exciting and innovative event as the B.Pharm volunteers organized a Poster and Working Model Competition under the able coordination of Dr. Amandeep Singh. This event, held on [date], provided a platform for students to showcase their scientific acumen, creativity, and technical skills.

The competition began with an inauguration ceremony, attended by students, faculty members, and esteemed guests. Dr. Amandeep Singh, the coordinator, welcomed everyone with enthusiasm and highlighted the significance of the event in promoting scientific exploration and innovation among students.

The Poster Competition featured a wide range of topics related to pharmacy, healthcare, and pharmaceutical sciences. Participants displayed their artistic talents by creating visually appealing posters that effectively communicated complex scientific concepts. The posters were judged based on criteria such as creativity, clarity of presentation, and relevance to the chosen topic.

Simultaneously, the Working Model Competition showcased the technical prowess and ingenuity of the students. Participants designed and constructed working models that demonstrated various pharmaceutical concepts, drug delivery systems, and healthcare technologies. The models were evaluated based on their technical innovation, functionality, and practicality.

Throughout the competition, Dr. Amandeep Singh and the B.Pharm volunteers played a crucial role in organizing and managing the event. They ensured the smooth conduct of the competition, from registration and participant coordination to judging and prize distribution. In addition to the competition, the event also featured informative sessions and workshops conducted by experts from the pharmaceutical industry. These sessions provided valuable insights into the latest advancements and trends in pharmacy and healthcare, enriching the knowledge and understanding of the participants.

As the competition concluded, winners were announced and felicitated during a closing ceremony. Dr. Amandeep Singh congratulated the participants for their outstanding contributions and emphasized the importance of nurturing innovation and creativity in the field of pharmacy.

The Poster and Working Model Competition organized by the B.Pharm volunteers, under the coordination of Dr. Amandeep Singh, served as a platform for students to showcase their talents, exchange ideas, and inspire each other to excel in their academic pursuits. It was a testament to the college's commitment to fostering a culture of innovation and excellence among its students.

## BASANT PANCHAMI "KITE FLYING COMPETITION"

ISF College of Pharmacy, Moga, celebrated the auspicious occasion of Basant Panchami with great fervor and excitement by organizing a lively Kite Flying Competition. The event, brought together students, faculty, and staff to participate in a traditional and colorful celebration.

The day began with an inauguration ceremony, where the college principal and other dignitaries addressed the gathering, emphasizing the significance of Basant Panchami and the joy of kite flying. The event coordinators, along with the enthusiastic volunteers, worked diligently to ensure the smooth execution of the competition.

The Kite Flying Competition saw a vibrant display of colorful kites filling the sky as participants showcased their skills and enthusiasm. Students, divided into teams, engaged in friendly competition, maneuvering their kites skillfully to outfly their opponents. The atmosphere was filled with laughter, cheers, and the sound of fluttering kites, creating a festive ambiance that resonated throughout the campus.

Participants adorned their kites with vibrant colors, intricate designs, and messages of good luck, adding to the visual spectacle of the event. The competition was not only about skill and technique but also about creativity and innovation, with participants showcasing their unique kite designs and flying techniques.

Spectators gathered around the designated flying area, cheering on their favorite teams and enjoying the spectacle of kites soaring gracefully against the backdrop of the clear blue sky. The competition fostered a sense of camaraderie and community spirit as students from different backgrounds came together to celebrate this traditional festival.

In addition to the kite flying competition, the event also featured cultural performances, including traditional dances, music, and poetry recitations, adding to the festive atmosphere. Participants and spectators alike immersed themselves in the joyous spirit of Basant Panchami, celebrating the arrival of spring and the renewal of life.

As the competition drew to a close, winners were announced and felicitated during a closing ceremony. Prizes were awarded to the teams with the highest scores, recognizing their skill, creativity, and sportsmanship.

In conclusion, the Basant Panchami Kite Flying Competition was a testament to the college's commitment to preserving and celebrating India's rich cultural heritage. Through events like these, ISF College of Pharmacy, Moga, continues to foster a sense of community and belonging among its students, while also promoting tradition, creativity, and camaraderie.

## E-GAMES ISFCP, MOGA

The NSS Unit of ISFCP, Moga, organized an exhilarating E-Games event, showcasing the college's commitment to fostering a spirit of camaraderie and engagement among students even in the virtual realm. Spearheaded by Dr. Amandeep Singh, the event brought together students from diverse backgrounds to participate in an array of online games, including Ludo, Chess, Carrom, 8 Ball Pool, Among Us, and Free Fire.

The event kicked off with great enthusiasm as students logged in from the comfort of their homes to compete against their peers in friendly yet competitive matches. The online format allowed for seamless participation, with students able to connect and engage in real-time gaming sessions regardless of their physical location. Throughout the event, Dr. Amandeep Singh and his team ensured smooth coordination and management of the proceedings, from organizing game schedules to resolving technical glitches and ensuring fair play. Their dedication and efforts were instrumental in creating a conducive environment for participants to showcase their gaming skills and enjoy the experience to the fullest.

The variety of games offered catered to a wide range of interests and preferences, allowing every participant to find something they enjoyed. Whether it was the strategic thinking required in Chess, the quick reflexes needed in Ludo and Carrom, or the teamwork and coordination essential in Among Us and Free Fire, there was a game for everyone to excel in.

The E-Games event saw an impressive turnout, with more than 560 students actively participating and competing against each other. The high level of engagement and enthusiasm demonstrated by the participants showcased the success of the event in bringing the college community together in a virtual setting. Beyond just the thrill of competition, the event also provided an opportunity for students to socialize, interact, and forge new friendships. The online platform served as a virtual meeting ground where students could connect with their peers, share gaming strategies, and bond over shared interests.

In conclusion, the E-Games event organized by the NSS Unit of ISFCP, Moga, under the coordination of Dr. Amandeep Singh, was a resounding success. It not only provided a platform for students to showcase their gaming skills but also fostered a sense of unity, friendship, and community spirit among participants. The event demonstrated the college's adaptability and innovation in engaging students in meaningful activities even in virtual settings, reaffirming its commitment to holistic student development.
